Early Learning Backpacks are filled with books, toys, games and activities to make learning fun!

All materials are developmentally appropriate for young children and teach valuable concepts children need to know for school success.

The activity guide provides easy-to-follow instructions, along with tips for in-home connections and a variety of ideas to stimulate conversation that support learning.

Activities will encourage talking, reading, writing, singing and playing!

Backpacks are available for toddlers and preschoolers—turn this page over for a complete list of titles.
