Lisa Gardner, a #1 *New York Times* bestselling thriller novelist, began her career in food service, but after catching her hair on fire numerous times, she took the hint and focused on writing instead. A self-described research junkie, she turned her interest in police procedure and criminal minds into a streak of internationally acclaimed suspense novels, including her most recent release, *Never Tell*.

With over 22 million books in print, Lisa is published in 30 countries. She's also had four novels become TV movies (*At the Midnight Hour; The Perfect Husband; The Survivors Club; Hide*) and has made personal appearances on TruTV and CNN.

Lisa's books have received awards from across the globe. Her novel, *The Neighbor*, won Best Hardcover Novel from the International Thriller Writers, while also receiving the Grand Prix des Lectrices de Elle in France. She was also recognized with the Daphne du Maurier Award in 2000 for *The Other Daughter*. Finally, Lisa received the Silver Bullet Award from the International Thriller Writers in 2017 for her work on behalf of at-risk children and the Humane Society.

For a bit of fun, Lisa invites her readers to enter the annual "Kill a Friend, Maim a Buddy" Sweepstakes at LisaGardner.com. Every year, one Lucky Stiff is selected to meet a grand end in Lisa's latest novel. Past winners have nominated spouses, best friends and even themselves.
