

## Jetpack Overview

NOTE: Appearance of device might vary.

### Universal Charging Cable

WARNING! Use only an approved charger to charge your Jetpack. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your device and void the warranty.

## Operation Status

| Operations      | Actions  |
|-----------------|--|
| Power On        | To turn ON, press and hold the Power button for 2 seconds.                                   |
| Power Off       | To turn OFF, press and hold the Power button for 3 seconds.                                  |
| Display Wake-Up | When the display is on, the first quick press of the Power button puts the display to sleep. |
| Power Indicator | When the Jetpack is powered on, the Power indicator light will blink.                        |
