HOME CARE, is devoted to serving the informational needs of home medical equipment suppliers including independent or chain centers specializing in home care; pharmacies or chain drug stores with home care products; or the newer breed of home care operation, joint-ventured hospital home care businesses. HomeCare targets its editorial to the business of rental and sale of home care products. The magazine features a blend of industry news, ranging from stories about changing reimbursement mechanisms and coverage of industry events to manufacturers' new product launches and marketing strategies. HomeCare brings the industry in-depth coverage of emerging trends, news on operational techniques, annual market updates on key home care product lines, and regular profiles on successful home care ventures.
