Local Help/Resources

[Mahoning Valley is for Entrepreneurs](#)

### **Periodicals and Newsletters**

American Bee Journal. Dadant and Sons Inc.

URL: <http://www.dadant.com>

American Beekeeping Federation Newsletter. American Beekeeping Federation.

URL: <http://www.abfnet.org>

Journal of Apicultural Research. International Bee Research Association.

URL: <http://www.ibra.org.uk>

Quarterly. Publishes original research articles, original theoretical papers, notes, comments and authoritative reviews on scientific aspects of the biology, ecology, natural history, conservation and culture of all types of bees.

### **Research Centers and Institutes**

Agricultural Research Service, Pacific West Area - Carl Hayden Bee Research Center - Honey Bee Research Unit.

URL: [http://www.ars.usda.gov/main/site\\_main.htm?modecode=53-42-03-00](http://www.ars.usda.gov/main/site_main.htm?modecode=53-42-03-00)

Biology of honey bees, including: biochemistry and physiology of bees to determine specific requirements for individual and colony growth, development, and reproduction; role of mites and microorganisms in the physiology of bees; behavior of bees, including modes of communication, structure and function of sensory receptors, and identification and roles of pheromones; pollination ecology and colony foraging dynamics of bees in crop ecosystems; development of computer simulated models; and remote sensing using radar, microwave frequencies, and other techniques to monitor the activities of bees.

Agricultural Research Service, Southern Plains Area - Kika de la Garza Subtropical Agricultural Research Center.

URL: <http://www.ars.usda.gov>.

Utah State University - Bee Biology and Systematics Laboratory.

URL: <http://www.loganbeelab.usu.edu>.

### **Trade/Professional Associations**

National Honey Packers and Dealers Association.

URL: <http://www.nhpda.org>

Represents cooperative and independent processors, packers, and dealers of honey at either the wholesale or retail level. Offers members information on testing facilities for honey analysis. Consults with Department of Agriculture on research programs in the field of honey marketing.
