1. Graphical screening and shading is used to de-emphasize existing items and some new improvements to highlight selected trade work.

2. Proposed demolition plan items are not shown for clarity purposes.

3. Some existing and proposed underground and overhead utilities are not shown for clarity purposes.

4. Contours shown in paved areas are to the top of the proposed pavement.

Note: This drawing has also been submitted at full-scale.
NOTE: THIS DRAWING HAS ALSO BEEN SUBMITTED AT FULL-SCALE.
3. ELEVATIONS - PERSPECTIVES
