

PUBLIC LIBRARY OF YOUNGSTOWN & MAHONING COUNTY

PERIODICAL HOLDINGS 2021

This list reflects the periodical holdings of the Main Library and all branches of the Public Library of Youngstown and Mahoning County. If the Main Library owns a title, its locations at Main are shown in the first part of the list of holdings for each title. Next, shown for each title is the online availability within paid online resources or from free websites. Finally, Branch holdings are listed alphabetically by branch abbreviations, and all but the latest issues can be checked out unless noted. Children's titles are highlighted in blue, while Young Adult titles are in green. [Click here](#) for a list of titles by subject heading. For online periodical indexes, go to the Online Resources page on the library's website at <http://www.libraryvisit.org/research/online-resources>. Available from Kent State University Libraries, use [Journal Finder](#) to identify which magazine database a journal can be found.
