How to View a Video

Once you’ve found a course or video that you are interested in watching, click on the title or thumbnail image. This will bring you to the video player. The left hand side of the screen will show you all of the chapters and sections of the course. You can start from the beginning, or choose to watch them in any order. A small checkmark will appear if you’ve watched a video and complete a quiz.

If you start watching a video, but don’t finish you’ll be able to continue it the next time you log in. In the upper right, click on “Me” and then click In Progress Clicking on the image or title will bring you back to the chapter you were watching. Beside the title you’ll see the percentage of the video you’ve watched, and how much time is remaining in the video.

What is Lynda.com?

LinkedIn Learning is an online library of training videos to help you learn the latest business, creative & technology skills. LinkedIn Learning allows you to learn what you want, when you want, at your own pace!
Who can access LinkedIn Learning?
LinkedIn Learning is available to all Ohio residents. All you need is a library card from your local public library.
