The gratification is instant.  
Give blood.

National Library Week is April 23-29 and this year's theme is "There's More to the Story." From picture books to large print to audiobooks, libraries are full of stories, but they offer so much more, too. At PLYMC, we provide access to the internet and technology, bring communities together through programs and offer support to job seekers and entrepreneurs. We also lend items such as iPads, ukuleles and educational kits. This National Library Week, we encourage you to visit any PLYMC branch and explore all we have to offer!

### Celebration Days During National Library Week

**Monday, April 24:** State of America's Libraries Report released, including Top Ten Frequently Challenged Books of 2022.

**Tuesday, April 25:** National Library Workers Day

**Wednesday, April 26:** National Library Outreach Day (formerly National Bookmobile Day)

**Thursday, April 27:** Take Action for Libraries Day

### April is National Poetry Month and we're inviting teens in grades 7-12 to enter our annual Blackout Poetry Contest!

It's easy: Take a page with words written on it like an old book, magazine, or newspaper. Grab a marker and cross out words you don't want, leaving the words you do, and soon you'll have created a poem. Supplies will be provided at stations located at each branch.

Turn in your poem at any Mahoning County library branch by the end of the month. Three winners will be chosen from entries. The winners will receive a cash prize and have their poem posted to our website. Good luck and have fun!

### THE MAHONING VALLEY Mobile Market

**SEBRING**
