Happy New Year!

New Registration Procedure for Culinary Literacy Center Programs

We look forward to welcoming new and returning guests to kitchen classes in 2024. Beginning January 1, a 48-hour notice is required for canceling registrations in the Culinary Literacy Center at Main Library. This procedure is essential because we are committed to using fresh ingredients and have limited space for kitchen classes.

If you register for and miss two classes with less than a 48-hour notice within a three-month period, you will not be able to attend a kitchen class for the following three months. Additionally, we are pleased to announce there will no longer be a waitlist for culinary programs. Instead, as spots become available, they will open on our website in real-time. We appreciate your cooperation and understanding as we commit to eliminating waste and empty seats in our kitchen classes. For more info, go to libraryvisit.org/policies.
