Celebrate NATIONAL LIBRARY WEEK
 April 19-25, 2026

What brings you joy? Whether it's cozying up with a new story, learning a new skill, or gathering with community, you can find your joy at PLYMC!

National Library Week is a time to celebrate the many ways libraries bring people together, spark imagination, and support lifelong learning. From books and digital resources to job assistance and creative programming, libraries are essential to thriving communities.

At PLYMC, we invite everyone to join the celebration! Whether you're a longtime patron, a new neighbor, or haven't visited in a while, now is the perfect time to explore all the library has to offer. Whatever brings you joy, the library has something for everyone.

In partnership with the Youngstown Area Jewish Federation and Schwartz Judaic and Holocaust Resource Center, the Austintown Branch is hosting a traveling exhibit chronicling the life of Holocaust survivor William Vegh, who later settled in the Mahoning Valley. Stop by to view the exhibit and learn more about his remarkable life.
